

KIYAN LALANI

01 · PROFILE

Founder and CEO of Atlas Intelligence (registered as Atlas Academic Intelligence Ltd), an AI education startup building a voice-first tutor with exam-board-calibrated revision and marking tools for GCSE and A Level students. Completed A Levels at Reed's School in 2026; studying Law at university from September 2026 while continuing to run the company. Experienced in investor pitching, fundraising, legal administration and national policy work.

02 · EXPERIENCE

Founder & CEO · Atlas Intelligence

Jan 2025 · Present

- Founded an AI EdTech platform providing exam board calibrated revision and marking tools for GCSE and A Level students, on course for national rollout as a voice-first AI tutor for independent study.
- Secured pre-seed investment and leading a live seed round; negotiated contracts, compliance and share arrangements while managing an external development partner.
- Regional Finalist, National Entrepreneur of the Year (Peter Jones Foundation); spoke at the University of Cambridge and invited to the House of Lords and 10 Downing Street as the platform gained national attention.
- Built and lead a national Student Ambassador Programme, recruiting and inducting the first cohort of school ambassadors.

Policy Contributor · Alliance 4 Children

2025

- Contributed to a white paper delivered to No. 10 Downing Street on removing the two-child benefit cap, a policy subsequently adopted in the Autumn Budget.

Mini-Pupillage · 1MCB Chambers

Jun 2024

- Shadowed the Deputy Head of Chambers, observing how arguments are structured, tested and adapted under judicial challenge.

Administrative Clerk · 1MCB Chambers

Summer 2023

- Supported barristers with filing, case scheduling and case distribution, developing precise communication and confidentiality.

03 · EDUCATION

Reed's School · Surrey

Sept 2021 · May 2026

- A Levels (completed 2026, results August 2026): Economics, Politics, Business Studies.
- Extended Project Qualification: A. Dissertation on AI in criminal law, including a prototype legal research tool trialled with a barrister from the 36 Group.
- GCSEs including Mathematics (8), English Literature (8), Physics (7) and English Language (7).

04 · LEADERSHIP

- Economics & Business Prefect: ran Ecobus Society debates and built revision resources for younger students.
- Managing Director, Enterprise Club: mentored younger students through business planning.
- Model United Nations: passed a Security Council resolution at first conference.

05 · SKILLS & CERTIFICATIONS

- Public speaking and investor pitching; independent research and analysis; AI and product design.
- FAA Level 2 Award in First Aid for Youth Mental Health (RQF).
- Interests: 3D printing and product design.
